

We help companies create and improve industry products and services through long lasting and mutually rewarding relationships. We work with our partners to streamline project plans that don't just deliver on product perfection, but also deliver on time – crucial to success in a highly competitive market where everyday counts.

AIK Energy is an Associate Member in EuroGas

<https://eurogas.org/about-eurogas/our-members/>

Eurogas is an association representing the European gas wholesale, retail and distribution sectors towards the EU institutions. Founded in 1990, Eurogas currently comprises 49 companies and associations from 23 countries.

Main activities:

- *Eurogas aims to strengthen the role of gas in the energy mix through ongoing dialogue with European industry players, global gas producers, and relevant institutions and organizations.*
- *Eurogas promotes the smooth functioning of the European internal gas market, supports the EU's climate goals, and provides structured support to its members on EU policy issues.*
