A.R. Recommendation sent by fax

In attention to: Ms. Gabrielle Costigan

With regard to the application for admission to the natural gas market, the related attachments and the accession agreement, submitted on 28 January 2020, the provision for admission to the natural gas market (hereinafter: MGAS) provided by Gestore dei Mercati Energetici SpA (hereinafter referred to as: GME).

On this occasion, it is specified that, in order to submit tenders on the natural gas market, it is necessary:

- endowment with the security device for access to the GME computer system, in accordance with the provisions of the Technical Operating Regulation no. 04 MGAS.
- to be active at PSV;
- communication of bank data to GME in accordance with the provisions of the Technical Operating Regulation no. 16 MGAS.
- presentation of a guarantee to GME to cover the settlement of payments, in accordance with the provisions of Title V, I Chapter of the Regulation on the natural gas market
- if it is intended to send purchase offers with the application of a tax regime other than the usual one, to send to GME the documentation certifying this regime;

It should also be noted that any changes relating to the subjects indicated at point 4) of the application for marketing, designated to access the GME computer system on behalf of the admitted trader, must be communicated by means of a statement signed by the legal representative of the admitted trader.

We remain at your disposal for any clarifications, sending you all the best.

All: c.s.

Legal and Regulatory

Order of 7 February 2020

Admission of the company AIK ENERGY AUSTRIA GMBH on the gas market

Gestore dei Mercati Energetici S.p.A.,

in the person of Ms. av. Lorena A. Ruberti, acting as Head of the Legal and Regulatory Directorate, According to articles 13, 14 and 15 of the Regulation on the natural gas market, approved by the Decree of the Minister of Economic Development of 6 March 2013, as subsequently amended and supplemented (hereinafter referred to as "the Regulation").

According to the application for admission to the gas market, the documentation annexed to it and the accession contract submitted by AIK ENERGY AUSTRIA GMBH on 28 January 2020 (reg. no. GME/PB/A000000962-DGA).

After the marketing requirements have been verified in accordance with Article 12 of the Regulation.

The regularity of the documentation submitted on 28 January 2020 was also verified.

Orders:

the company AIK ENERGY AUSTRIA GMBH, VAT no. ATU74552815 and C.F. (TIN no.) 09/351/7852, with headquarter in Austria, Vienna, Annagasse 8/12 is admitted to the gas market in compliance with the provisions of the Regulation, Technical Operating Provisions, published on the website of Gestore dei Mercati Energetici SpA, and of the agreement of accession to the market, as well as any other legislative or regulatory provisions, or of acts and measures issued by the same Administrator or by the competent authorities.

As regards to the above, AIK ENERGY AUSTRIA GMB is granted the trader status and is included in the list of traders admitted to the market referred to in Article 17 of the Regulation.

This provision shall take effect on the date of its adoption.
