Letter with acknowledgment of receipt sent by telefax

To the attention of Mr. Damian Spiridon

With regard to the application for admission to the natural gas market, to the related appendices and to the membership agreement submitted on January 30, 2020, it is hereby sent the order of admission on the natural gas market (hereinafter referred to as: MGAS) issued by Gestore dei Mercati Energetici S.p.A. (hereinafter referred to as: GME).

On this occasion, it is indicated that submission of tenders on the natural gas market requires:

- provision of a safety device in order to access the information system of GME, as per the stipulations of the Technical operation provisions n. 04 MGAS;
- provision to GME of the bank coordinates as per the stipulations of the Technical operation provisions n. 16 MGAS
- provision to GME of a guarantee covering the regulation of payments, as per Title V, Chapter I of the Regulation of the Natural gas market;
- provision to GME of documents certifying the regime concerned in the case of submission of acquisition tenders by implementation of a tax regime different from the standard one;

Also, it is hereby mentioned that the potential changes regarding the entities indicated at section 4) of the same application of admission to the the natural gas market, the members with access on behalf of the trader admitted to the information system of GME, shall be notified based on a statement signed by the legal representative of the admitted trader.

We remain at your disposal for further clarification.

Respectfully yours,

Attorney Lorena A. Ruberti
