DECISION no: H2604/2019

Object: Licence for limited sale of natural gas

In the administrative procedure initiated at the request of customer, with file with number and object specified above, hereby the **Energy Regulatory Authority for Public Utility Services Hungary** (office: 1054 Budapest, Bajcsy-Zsilinszky út 52.), made the following:

DECISION

The Authority approves the request of customer **AIK Energy Austria GmbH** (office: Biberstrasse 5, AT-1010 Vienna, Austria, Trade Registry no: FN 515016 b, fiscal code: ATU74552815) (hereinafter referred to as: **Authorised**) and gives

LICENCE FOR LIMITED SALE OF NATURAL GAS

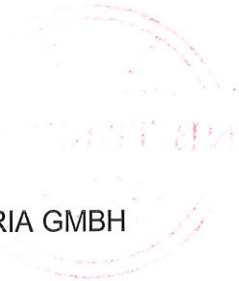

In the following conditions:

1. Definitions of notions

By the notions used in this licence for limited sale of natural gas (hereinafter referred to as: **Licence**) we understand the notions included in Law no. XL/2008. for the supply of natural gas (hereinafter referred to as: **GET Law**), in Governmental Ordinance 19/2009. for the execution of Law no. XL/2008 about the supply of natural gas (hereinafter referred to as: **Ord. Vhr.**) and in legislations issued based on the authorisation GET, and in the Industrial and Commercial Regulations (hereinafter referred to as: **RIC**).

2. The general rights and obligations of the Authorised

2.1. The Authorised can carry out its activity according to the provisions of GET, the legal provisions issued based on its empowerment, according to the regulations approved by Authority, respectively according to the provisions included in this Licence, respectively it has the obligations set out in these normative acts. The Authorised is obliged to respect these conditions permanently. The obligations specified in this

Licence do not bring prejudice to the other obligations of the Authorised, set out in other legislations.

- 2.2. Based on this Licence, the Authorised is entitled to purchase and sell natural gas in exchange for a remuneration established for commercial purposes.
- 2.3. The Authorised is entitled to import and export natural gas by passing the border of Hungary.
- 2.4. The Authorised does not have the right to sell natural gas to other persons except to the authorised entities on the regulated market of natural gas.
- 2.5. The Authorised must always have a collaboration agreement in force, signed with an operator of delivery/supply systems who carries out management activities of delivery systems.
- 2.6. The Authorised is obliged to assure the permanent functioning of informative and deduction systems – rollover/management of financial data, rollover of gas volume, invoicing – necessary for the realization of assignments set out in GET, in the other applicable laws and in RIC. At the commissioning date of these informative and data systems, and for the period of their functioning, the Authorised has to have the current documentation about their operation.

3. Person in charge with correspondence:

Name and address of the person in charge with correspondence, appointed by the Authorised:

Lázár Indira

Address: 8600 Siófok, Sió utca 40. 2. emelet 10.

The Authorised is obliged to declare the authority any change in the data of person in charge with correspondence within maximum 30 days from occurrence and to request the change of Licence in this respect.

4. Certificate about the carrying out of commercial activity of supply of natural gas, recorded abroad

Confirmation of carrying out the regulated activity in paragraph (4) §.28 of GET, presented by the Authorised: based on the public data from the website of **CENTRAL EUROPEAN GAS HUB AG (CEGH)**, according to which the Authorised is a registered member of CEGH by the portal Virtual Trading Point (VTP).

The Authorised has to have permanently the certificate which entitles it to carry out the activity regulated in paragraph (4) §.28 of GET.
